

SIERRA SPIRIT BOOSTERS
1505 N. Virginia St.
Reno NV 89503

1-28-2008

Hello Friends,

Sierra Spirit Boosters, Inc. is a not for profit organization that helps raise money for young athletes to participate in our program regardless of financial requirements. Currently our cheerleaders are in the process of fundraising and are seeking sponsorships in the community to help pay for travel expenses to a National Competition in Las Vegas, Nevada on March 29th 2008. The approximate cost per girl is \$500.00 for the trip and without fundraising some girls might not otherwise be able to participate. The Sierra Spirit cheerleading teams recently competed at a Regional Competition in Vallejo California where they brought back four 1st place trophies which won us the invitation to the National Competition.

Competitive Cheerleading has grown by leaps and bounds in the last 15 years. No longer are cheerleaders confined to the sidelines waving pom-poms, but are now executing high level stunts and tumbling maneuvers to rival the most skilled gymnasts and acrobats. Sierra Spirit Cheerleading is dedicated to achieving the highest level of competitive excellence for athletes of all ages. In addition, our cheerleaders showcase their competition routines year round at local events in our community such as The Kids Fair at Idlewild Park, Truckee River Duck Races at the Wingfield Park amphitheater, Hot August Nights and the Nevada State Fair, to name a few. Cheerleading not only creates experiences and memories that will last a lifetime for the participants, it provides them with a great social environment, helps build character, grace, and confidence, as well as promotes our athletes to become both physically and mentally stronger while allowing them to be a part of something fun and exciting.

If you are interested in helping out this valuable program in our community, it would be greatly appreciated for any amount, small or large. Checks can be made out to Sierra Spirit Boosters and sent to 1505 N. Virginia Street in Reno, Nevada 89503. Upon receipt of your donation we will send you a letter of confirmation with the amount received and our Non Profit Tax ID number. Thank you in advance for your support.

Sincerely,

Sierra Spirit Boosters
