Competitive cheerleading has grown by leaps and bounds in the last 15 years. No longer are cheerleaders confined to the sidelines waving poms, but are now executing high level stunts and tumbling maneuvers to rival the most skilled gymnasts and acrobats. Sierra Spirit cheer is dedicated to achieving the highest level of competitive excellence for athletes of all ages.

At Sierra Spirit, our teams travel to local and national competitions, competing with All Star squads from across the Nation. In addition, our teams showcase their routines at local events and march in parades year round in the Reno/Sparks area including; Reno Rodeo, Hot August Nights, Wingfield Park, and the Nevada State Fair just to name a few.
